Bud's Pup

Bud had a pup. It was a mutt. A big red bug bit the pup. “Yip, Yip!” went the pup.

The pup runs to the mud and dug in the mud. The pup got mud on the steps and on the rug. The bad pup will jump up on the bed and on Bud. Bud has a mess! Dad must help Bud. Dad got a tub and a rag. Bud had suds in the tub. The pup had fun in the tub. Dad will fuss with the pup. Bud will scrub the pup and hum a song. The pup has less mess. Bud will tug the pup into the sun. Bud will hug the pup and run in the sun and have fun!
