

Lesson 8

And GOD Did Nod

GOD has a dog. The dog can sit and wag. The dog can toss a sock. It was well. And GOD did nod.

GOD has a frog. The frog can hop on moss. The frog can hop off a rock into the bog. It was well. And GOD did nod.

GOD has a fox. The fox got on top of the hill. The fox can dig on top of the hill to get to the frog in the bog. HOP FROG! HOP! The fox got to the frog in the bog. STOP FOX, STOP! Bad Fox! In a bit, the frog got back on the rock in the bog. GOD did not get rid of the fox.

GOD had a son; JESUS. The son had a fig and dill. GOD's son sat in his tent on a mat and had a sip from his cup. His son had a rod and a net. The son got a cod in his net. On the spot, the cod was in a pot. It got hot! GOD's son had cod on a hill in the sand. His son fed cod to the dog. It was well. And GOD did nod. The fox got on the top of the hill to see GOD's son. The son fed cod to the fox. And GOD did nod at the fox. It was well. And GOD did nod at his son.

COMPREHENSION QUESTIONS:

1. Does GOD love all the animals that He made?
2. How does He show that He loves and approves of His creatures?
3. Who is GOD's son?

PROJECT: Genesis 1:25 (New Living Translation) says, "GOD made all sorts of wild animals, livestock, and small animals, each able to produce offspring of the same kind. And GOD saw that it was good." Take some time to go outside and observe some of the creatures that GOD made: a bird, a worm, an ant, a butterfly, or a bee. Be kind to them – don't hurt them. Just watch them and thank GOD for making them!
