

“I Choose to Be Like JESUS”

By Regina Marie Harp and KING JESUS the MESSIAH

I choose to be gentle; I choose to be kind;

I choose to be patient and have self-control all the time.

I choose to be faithful; Be joyful and show love;

I choose to be like JESUS and my FATHER up above;

I choose to be like JESUS and my FATHER up above.

I choose to be meek and lowly; I choose to be good;

I choose to be a peacemaker like JESUS said I should.

I choose to show mercy; I choose to forgive;

I spread the Kingdom of Heaven – that’s how I choose to live!

I spread the Kingdom of Heaven – that’s how I choose to live!

I choose to be holy; to give and to be wise;

To honor others and love my enemies and see them through my SAVIOR’s eyes.

I choose to be the servant of all and search for JESUS diligently;

I choose to lay down my life for others; Loving others as He loves me;

I choose to lay down my life for others; Loving others as He loves me.
