ex/ploi/ta/tion

OY as in Boy

Oy as in boy: used at the end of words.

toy boy joy soy toys

cowboy joyful enjoy Roy Joy

Joyce Troy annoy destroy

loyal dis/loyal convey employ

Practice:

Joy enjoyed plants. She liked to toil in the soil and get her hands dirty. She avoided putting poison on her plants, and kept the soil moist, because plants need moisture. It annoyed her when Troy and the boisterous boys played cowboy near her plants. She did not want them to spoil or destroy her garden. She raised her voice to stop them, and pointed out they could play in the yard. Joy rejoiced when they moved.
